---

I agree if allowed to foster for Affenpinscher Rescue, Affenpinscher Rescue will not be liable for any direct or consequential damage to the foster home, family member, household items, automobile or pets caused by the Affenpinscher in foster care.

Affenpinschers placed in foster homes will be current on vaccinations including rabies, spayed or neutered. Medical problems and any necessary treatment will be the responsibility of Affenpinscher Rescue and must be handled through an approved veterinarian. I will notify Affenpinscher Rescue of any illness, medical or behavior problem experienced while the dog is in my care. Any veterinary visit, treatment or medication expense must be approved by Affenpinscher Rescue. I will present the foster to an approved veterinarian as directed by Affenpinscher Rescue.

As with any rescue dog, Affenpinschers are often not housebroken, have been abused in the past, may not be socialized, or may have treatable medical problems which in some cases may not be realized until after the Affenpinscher has been placed in foster care. I will work with my foster and treat it with all the love, care and attention as if it were your own pet until its adoption.
